No. 858 (a)-R.—In exercise of the powers conferred on him by section 88 (1) (a) of the British Baluchistan Bazars Regulation, 1910 (V of 1910), the Hon'ble the Chief Commissioner of British Baluchistan is pleased to make the following rules for the assessment and recovery of the Octroi tax in the Sibi town:—

1. Every person bringing dutiable goods into the Bazar limits shall bring them to one of the octroi barrier posts. On arrival at the post, he shall either make, to the Muharrir in charge of the post, a declaration stating the description, quantity and value of the goods in his charge, or present a regular invoice for the same. He shall then obtain from the Muharrir in charge of the post, a pass showing the description and quantity of the goods imported, and shall take the pass to the Octroi collection office, where he shall pay the amount of octroi due to the Muharrir in charge of the office who will issue a receipt for the amount received.
2. If the Muharrir in charge of the barrier post sees reason to doubt the correctness of the declaration or invoice he shall write the word "doubtful" (Mushtaba) in red ink across the pass. In such a case the importer shall be bound immediately to take the goods with the pass to the collection office, and the

officer in charge of the collection office shall examine or weigh the goods before assessing the amount of octroi due, and shall, if he finds the declaration or invoice incorrect, calculate the duty, in the case of goods taxed according to weight, on the weight actually ascertained, and, in the case of goods taxed *ad valorem*, on the rates prevailing at the time in the Sibi Bazar.

3. If there is no doubt about the correctness of the declaration or invoice the duty on articles assessed *ad valorem* shall be levied according to the value given in the declaration or invoice, and that on articles assessed by weight on the weight given in the declaration or invoice, such abatement being made from the gross weight, on account of packing, lashings, etc., as may from time to time be prescribed by the Deputy Commissioner.
4. (1) In case of non-payment of octroi on demand, the officer empowered to collect the same may seize any article on which it is chargeable, or any part thereof of sufficient value to satisfy the demand.
(2) The Deputy Commissioner may, after the lapse of five days from the seizure and the issue of a proclamation fixing the time and date of sale, cause the property so seized, or so much thereof as is necessary to be sold by auction to satisfy the demand, with the expenses occasioned by the seizure, custody and sale thereof, unless the demand and expenses are in the meantime paid : Provided that articles of a perishable nature may be sold after the lapse of such shorter time as the Deputy Commissioner, having regard to the nature of the articles, may think necessary in order to avoid serious risk or damage.
5. Any balance of the proceeds of such sale by auction remaining after payment of the octroi and the expenses as aforesaid shall be credited into the Treasury as a deposit. Should the amount remain unclaimed for 6 months, it will be credited to the Bazar Fund after which no claim to it will be admitted.
6. Goods and raw materials the property in which is not vested in Government at the time of import but which being imported with a view to the fulfilment of a Government contract, or being otherwise intended for the use of Government will in the ordinary course of things become the property of Government after importation, shall, on passing any octroi station be declared as being intended for the use of Government (for example, in fulfilment of a certain specified contract) and the duty on them shall be thereupon paid. If after the duty is so paid, the goods actually become Government property, the duty shall be refunded on a certificate to that effect signed by the Departmental officer of Government concerned. Such certificate must be presented within 12 months from the date of the importation of the goods, after which period no claim for refund will be allowed.
7. When refund of duty is claimed under this rule, the receipt for the duty paid should invariably accompany the application for refund. Such application should be presented to the Extra Assistant Commissioner, Sibi, who subject to the control of the Deputy Commissioner is authorised to make refunds.
8. Any person importing goods for another market can keep them in the state in which they are received for one month under the seal of the Octroi Darogha, which shall be affixed on the request of the importer at the time of the presentation of the goods at the Octroi station ; and no duty will be levied thereon. Should any portion of the consignment be sold at Sibi, the importer will have to pay the octroi duty on the portion sold.
9. Goods brought from outside the Bazar limits to Sibi Railway station by the merchants of Sibi, either by rail or by means of other transport, and sold at the station for conveyance to other stations (e.g., Hurnai, Bolan, Shikarpur, etc.) shall be exempt from the payment of octroi duty whether they are sold by the Sibi Merchants as owners or as Commission Agents ; provided that the goods are brought direct to the Railway station from outside the Bazar limits and that they are not at the Railway station for more than one week before the sale.
10. If the goods described in the foregoing rule are brought to the Railway station through the Bazar limits, the importer shall make a declaration to the barrier Muharrir that the goods are intended for the Railway station, and the Muharrir shall thereupon grant him a pass in the prescribed form which will permit him to go to the station direct without taking his goods to the octroi collecting station.
11. Should any inhabitant of the villages of Gullushahr, Kurk and Khajak, in which octroi is separately levied by a contractor, purchase any goods from the town of Sibi for consumption or sale in the villages named, then the Sibi Darogha will, on application from the purchaser, and on production of the goods before him within Bazar limits, give him a permit certifying that the

goods were purchased in Sibi, and are exempt from payment of octroi in any of the villages named.

12. Any person aggrieved by a decision of the Octroi Darogha may refer the matter to the Extra Assistant Commissioner, Sibi.
13. The Deputy Commissioner may make subsidiary rules consistent with the Regulation and with these rules regarding the duties of Octroi collectors, the custody of monies collected, and the returns, etc. to be submitted, and shall prescribe all forms and registers for the administration of these rules.
14. Any person who shall commit a breach of these rules, or shall knowingly present an incorrect declaration or invoice in order to defraud the Bazar Fund, shall be punishable, on conviction by a Magistrate, with fine which may extend to rupees fifty, and when the breach is a continuing breach with a further fine which may extend to rupees five for every day after the date of such conviction during which the breach is proved before a Magistrate to have been persisted in.
